Manney's Reaper and Mower.

REFER the Furmers to the statements below, made by Dr. John Sheiby and L. F. Bradley. I have seen it in operation several times, I am satisfied of its great utility. As he season is advancing, I now offer those I have on hand for L. P. CHEATHAM. Nashville, Teon. june29, 1858.

NASHVILLE, June 28, 1858, Col. I. P. Cheathan: —Deer Sir:—I have been using be "Resping and Mowing Machine" patentented by Manuey of Illinois, which you are now offering to the citizens of Tennessee. It is a first hate labor saving Machine. It works nessee. It is a printy. The amount cut per day will depend principally upon the speed of the team. If the team can ravel four miles per hour, it will heap or Mow, fifteen acres n ten hours. It is entitled to the confidence of the public. Respectfully.

1. L. F. Bradley, now managing the farm of Dr. Shelby, make the following statement: We have had for more than one week, one of Col. Cheatham's mowing and reaping reachings we heavelyied it in clover and oran blown and ten-

gled, and I now state that it move and grain blown and tangled, and I now state that it move and cuts cleaner than the arthe blade, and that it will move per day as much as 14 hands, and it can reap at least twenty-four acres per day.

I. F. BRADLEY. june25-t&w.

RANAWAY from the subscriber on the night of the 3rd inst., his negro boy AMOS. He is about 20 years of age, 5 feet 5 or 10 inches high and weight about 150 pounds. He is a bright ninfatto, has straight bair and blue eyes, and will no doubt attempt to pass him-self as a white man. He was raised by a Mr. Dickey, of Spartanburg District, and was purchased by Capt. James Bonds of Spartanlong C. H. He is probably lurking in the vicinity of that town, or may attempt his escape to a the vicinity of this lower, or may assume this exactly to a free State. He rode off a sorrel house ten or twelve years old, which has a sour on both shoulders caused by warts, and is shod behind, is quick in graits and steps short, holds a fine head, is sonk very much above the eyes and inclines to be splitchil. The above reward of FIFTY DOLLARS

THIS Millidiers from all others in the construction of the upper or Running Stone, which is composed or Ecench Burr Blocks, enclosed in a cast iron Case, which French Burr Hlocks, carciosed in a cast iron Case, which forms the back and hoop of the Stone with a Cast Iron Eye, or Bush, than is of greater external diameter at the bottom that at the top, which is secured to the back by four bolts, so that every block is in the form of a dove tail, which gives greater strength to a Stone than any other method which is required in small mills, where the stone is run with great speed, and becomes damgerous if not strongly made. It also gives any weight to a stone of small diameter that is required without having it thick or high, that makes it top heavy.

This mill is a square frame made of wood or cast iron, in the form of a bush, with Bridge-tree, Spindle Balance, Ring Driver, and Regulating Screw, and grands used the same principle as a large mill, differing only in the Runner Stone; his being of great weight coables it to grind nearer the center a greater quantity of grain with less power than any other mill now in use. This will is portable, and may be attached to stoum, water, here or hand power.

Also, all sizes of Scanch Burr Aill Stones, manufactured on the same principle.

on the same principle.

Joseph H. Berruws, of Cincipnati, is the inventor, for which heobtained Letters Patent in 1882. For all infringements the purchaser will be held responsible for the right of basing.

These Mills do not require a Millright to set them up; and

These Mills do not require a Millright to set them up; and These Mills do not require a Miliright to set them up; and all that is accessing to put them in operation, is to atlach a hand to the pulley on the spindle, with a drum sufficiently large to rine a twenty-four inch Mill 24 revolutions per minute, attached to Gin, Steam, or Water Power. By the steady application of two barns power the Mill will grind six to 8 bushels per hour of good mean and will grind wheat as well as corn. The thirty inch mill. If put to its fullest appead, will grind from tee to fifteen bushelsper hour.

These mills are warranted to be in every respect as recommended.

Disactions rost Usawo. - Place your mill about 90 feet from Disactrons rot Usaso. "Place your mill about 20 feet from the Priving Pulley in a level position; make the belt of leather six or eight inches wide. Give the Stone220 revolutions a minute with the sun. Keep the sack and step of the spanide well-oried. Place the star on the back of the Running Stone, in the same way as the Cross on the Priver, that is, the way they are trimmed to ron.

jan 25 -d. tr. w. & w. tr. Uest Front st. Cin. O. ERB'S PATENT STRAW CUTTER AND INDEPEN-DENT CORN CHOPPER. THIS very important investion has been in use about three years. The investor has made improvements which have rendered it perfect as a STRAW AND CORN CUTTING MACHINE. It has given entire satisfaction to

in use, for the purpose for which it is designed. It is sim-ple in all its parts, durable and easily kept in order. It is self-feeding, and easily worked by a hoy 12 years of age.— It will cut straw or corn in the shack from half inch to three inclusion length. Many certificates might be pro-duced from Farmers who have used them, to prove their superiority over any other straw and corn cutter now in use. Persons needing such an article may rest assured that in it they will find a valuable acquisition to their farm

ufacturing these machines, and he how solicits for them the attention of the public, and the farmers and planters particularly, of the South and West. He will hereafter be able to fill all orders rapidly, and ensures all machines to do the work for which they are designed. Being the investor and patentee, and sole proprietor, he will dispose of rights for counties or States on reasonable terms, to any Mechanic who may wish to manufacture them, and will furnish one set of casting for patterns

A MR. WINTERS had lost nearly all of his hair and had been held for many years; by the use of these total of the Magnetic Ointment, had his hair entirely recould wish. His age is about 10 years.

A son of Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his gradle. He had

the benefit of the best medical advice that a loving and we althy father could procure, without avail. It was one of the most approvated cases I ever saw; he was emaciated almost to a skeleton. We the use of a few bottles of the Ointment he was harvoughly encod, and for seven mouths past has enjoyed robust results. enjoyed robust health.

This was an extreme case of inflammation of the spleen, of long standing; has a variety of treatment from no less than of rong samples, and the state of the state

Eyes with the Gintment, both of the patients so non-ty blad, as to need an attendant to lead them from place to place. One of them had been afflicied 12 years, the other about 9 years. They had tried the best physicians in the Slate, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinstit, for residence of the contract of a track, to the contract of eighteen months, and had expended hundreds of dollars in van efforts to effect a cure. They are now by use of the Magnetic Oritiment, heariy or quite cursel, and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it Gillet of giving interest its relief and generally a permanent cure. I have also used it beneficially in severe cases of Ery-sipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Ointerest alone! Ointenent alone!
From a thorough trial of the Continent in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

BURTON HUHBELL, M. D.

Dated Jan 27, 1850, Amelia, Giao, The character of this Cintment, as an efficient remedy, is established in this city. There are quite a number of individuals who ascribe their restoration to health to the use of this extraordinary Oint

MEDICAL.

DR. MORSE'S

I NVIGGRATING COEDIAL, a Phenomenou in Medicine.
Health Restored and Life Lengthened, by
DR. MORSE'S INVIGORATING RETURE OR CORDIAL. DR. MORSE'S INVIGORATING BILLIE OR CORDINAL-For centuries, Modical science has been far-arring the regemble and mineral stopic main search of something that ahould restore the loct of draging energies of the nervous and muscular systems, without inservence of subsequent prostration, which all stimulants, banks, and inservice bad heretofore entailed. That associating has been found. It is a vegetable production brought from the secrite deserts of Arab a the Stony, by the cale brates Professir M. Morse, well known as a distinguished member of the landing scientific sociaties of the Old World, and equally distinguished as a physician, a chemist, and atraveler. The jurces of this berty, concentrated and combined with other vegetable medicinal sociaties of the Old World, and equally distinguished as a physiciam, a chomist, and a traveler. The juices of this berty, concentrated and combined with other vegetables medicined extracts, are now preducing results beretufore unionard of, in this or any other cisairer. At arist the properties a training to DrO. MOESES 15VIGURATING ELLIKI OR CORDIAL were deemed fabricus. The public often descrived could not believe the ampie and arbitum trains an reduced by the discoverer. But face, underniable facia attested by witnesses of the highest class and character, are now insuppling over all dealers. INCREDIATIVES OVERSTRINGWE, by a mass of testimony which is perfectly irresistable.

The Entre remedies, in all cases, the deplorable evilarising from a misuse or above of the various organs which make up the wooderful marking called man. It restores to full vigor every delicate function connected with that mysfull vigor every delicate founcies connected with that any lerious compound agency of matter and mind, aversary to the re-production of human life. To persons of feeble muscular frame, or deficient to vital power, it is recommended as the only means of expansionicating that energy which is necessary to the proper enoyment of all the natural appartites, as well as the higher monate attributes. Its beneficial effects are not conflued to either for or to my ago. The accident are not conflued to either for or to my ago. The accident are not conflued to either for the services depression, the individual suffering from general debility, or from the weakness of a single organ, will all find insinciliate and permanent clied from the use of this thecomparable renovator.—To those who have a predisposition to paralysis it will prove a complete and unfailing salegiard against that terrible maisely. There are many, perhaps, who have so trifled with their constitutions, that they times themselves beyond the reach of medicine. Lexand even these despair. The filling deals with disease as it usless, without reference to cause, and will not only remove the allocator itself, but

Rebuild the Broken Constitution. The derragements of the system, leading to nervous discusses, and the forms of nervous discussed like it, are so natural out that it would require a column to enumerate the maintenance which this programment is a specific. A few, however, may be enumerated of a neuralgie, in delerent, headache, incipitent paralysis, systems, pupil many of the heart, aplind affections, massimals debuilty, remove, flatments, a pricking sensition in the flesh, numbers, toroiding of the liver, mental depression, weakness at the lift, neighboring dreams, leability to remain in one place or position to move, faintacts after exercise, broken sieep and terrifying dreams, leability to remain in one place or position, weakness of the processive organs, sevind incompaion, weakness of the proceeding organs, sexual in tency, welancholy, monomania, mor allow sinking at the stomach, female irregularities, a chropic lendency to miscarriage, emaciation, and an competators growing that the free induspence of the plassides, and all berganness that does not proceed from organic causes beyond the reach of meeticine. Whenever the organs to be sated upon are free from mal-

Morse's Invigorating Elixic. will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural scrivity, and this not only without hazard of reaction, but with a happy effect on the general organization. It is Bear to mind that all maindies, wherever they begin diside with the horsons system, and that the parallelisms of the nerves of motion and control is introduced and the server is not of the server. semantion is physical centh. Bearin mind also, that for every kind of nervous disease the Ettair Cordial is the only reliable preparation known.

Cure of Nerrous Diseases. No language can convey an adequate idea of the immediate and almost miracultus change which it occasions in the diseased, debilitated and scattered nervous system, whether broken down by erces, what is to mature, or impaired by eckness, the nestrong and relaxed organization is atones wrater re-vivided and built op. The mental and physical symmoms of nervous disease vanish together under its indinence. Nor is the effect temporary; on the contary, the relies is permanent, for the conduit properties of the madicine reach the constitution itself, and resises it to its normal conduiton.—Well may the preparation be called the Well may the preparation be called the Medicinal Wonder.

of the nineteenth century. It is, us the first edeatific man in A Stimulant that Entails No Re-Action. Its force is never expanded, as is the case with opinm, alcoholic preparations, and all other excitants. The effect of
these is brief, and it may well be said of him who takes thom,
"The last state of that man is worse than the first." But the
Elixir is an exhiberant without a single drawbact—ande in its
operation, perpetual in its happy influence upon the nerves,
the mind, and the entire organization; it will also remove depressions, excitement, a tendency to binsh, sleeplessness,
diallies of speciety incomparing the addition of speciety incomparing.

dislike of society, inexpacity for study or business Loss of Memery, Confusion, giddiness, rush of blood to the head, we handholy mental debility, hysteria, wretchedness, thoughts of self do struction, fear of insaulty, hypothoudrinsis, dysperein gene

A Great Medicine for Females,

A Great Medicine for Females,
The unparalleled effects of this great restorative, in all
complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousands of invigorant reconsocted—hit parporting
to be specified in the various obsences and deraugements to
which the delicate formation of woman render berliable.—
The result has herefolore been uniform. These mostrums
have indeed imparted a momentary vivacity to the nearyons
system, a transicat and deliance vigor to the mostless but
this flash of roller has been nacceeded by a depression and
prostration greater than before, and the end has too other
ocon utterly to paraly as the reconcernity power of the merces
and the vital organization, and finally to destroy the unamply
patient. But in Morse's Invigorating Elixir.

a presented as a phenomena in the materia medica hitherto nuheard of—a stimulant without a reaction.

The herb which forms its innin ingredient, has been ad-The herb which forms its main ingredient, has been as-mitted by all the great medical and pharmacentical institu-tions of Europe to be in this respects of general fire. Morse, whose name is an undisputed authority in sciences, discov-ered the production in Arabia, where his attention was exci-ted by the wonderfully invigorating effects it produced upon the natives. In fact the wonderful power of endurance, the exhaustless vigor exhibited by the Arab, of both sexes, in their desert other images, is attributable to the use of this viheir desert pilgrimages, is attributable to the use of this vi-

An appeal is made to Every Woman of Sense,

Every Woman of Sense,
who suffers from weakness, derangement, nervousness, tremors, pains in the back, or anyother disorder, whether peeuliar to her sex, or common in both sexes—to give the invigorating Cordina trial.

Married Persons,
or others, will find this Cordial after they have used a bottle
or two, a thorough resentant of the system. In all directiors are to be found the happy parents of healthy offspring,
who would not have been so, but for this extraordinary preparation. And it is equally potent for the unity diseases for
which it is recommended. Thousinds of young men have
been restored by using it, and not in a single instance has it
failed to benefit them.

failed to benedit them.

Persons of Pale Complexion,
or essemmptive habits, are restored by the use of a bottle or
two to bloom and vigor changing the skin from a pale, yet
low, sickly color, to a beautiful ford complexion.

To the Misguided,

To the Misguided,

These arcsome of the and and metanenely effects produced by early habits of youth, viz. weakness of the back and limbs, pains in the head, dimeas of aight, loss of mescatar power, palpitation of the beact, dyspepsia, nervous criticality, derangement of the digestive functions, general ability, symptoms of consumption, d.c.

Mentally the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression is spirits, swil fore-bodings, aversion to society, self district, love of solitude, limidity, dec., are some of the evils produced.

All thus afflicted All thus afflicted

Before Contemplating Marriage. should reflect that a sound mind and body are the mestore essary requisites to promote consubtal applices; indeed, without those, the journey through life becomes a wear; pli-grimage, the prospect hourly darkens the view; the mind be comes sindowed with despair, and illied with the meloncholy reflection list the happiness of another becomes brighted with your own.

Parents and Guardians. Are often misled with respect to the causes and source discusses in their sense and wards. How often do they are to other causes of wasting of the frame, idious, madness, plustion of the heart, industriated, during machine for the a your system, cough and soughtens indicating consumptive when the truth is, that they have been indulying in a perceious thought alluring practice, destructive both to mend but and body.

Cantion. DR. Monse's invision areas too must has been counterfeited by some unprincipled persons.

> DR. WM. McLANE, INDIAN AND GERMAN BOOT DOCTOR.

TMESPECTFULLY americans to the circums of Nashville At and vicinity, that he has cotoreed again after a residence of fourteen views in the South, and permanently lacated bineself in South Nashville, at the curve of Washington and Pearl streets, where he may at all times be found by those who may wish to consult him. He has in his possession tenny certificates from men f vous Affectione, Liver Complaints, Dyspepsies, Chills and Fevers, Plearness, Authors, Colds, Coughs, Incipient Consumptions, Rheumatisms, Weak Large, Fits, Dropsies, Caucers, Ulects, Scroffulous, Hemophaes of the Luner, and other Hemorages; Diarrhoes, Diseases of the Kidneys, Mercurial and Veneral Taints of the Bacel, Pissages of Children and Cauchy Complete Co

dren, Worms and various offser Discusses incident to the haman system.

During his residence in the South, he after left to over ten disposand different cases, all of which he treated with more Dr. McLane hopes from his much experience in the Med cal Profession, and the degree of success that has aftended

DR. WM. McLANE. VALUABLE IRON PROPERTY AND FARM FOR SALE THE subscriber would call the attention of those who wish to embark in the Iron business, also those who

A wish to esubark in the from business, also those who wish in own a bandsome and feelile farm, to the following property which he offers for sele.

Int. Jackson Furnace and lands, nov about 2500 select.—
This furnace is on Beaver Dam Creek, Dickson county, Tennessee, and the stack is the largest in the State, being at fact high. The lurnace, except the stack, is now buing rebuilt, and will be ready to put in blast by the lat of November. The rathe of the North Western Railroad, as our voyed, passes immediately by the Former. Theore is un-surpassed, and the timber and grouns admirably adapted for cealing.

Also, Belles lew Furnace, and about 2000 acres of land, facing the Dickson one bank. This Furnace is a Greek, about three miles South of Charlotte. There is a

Also, the Valley Forgetta James' Creek, and about E.,
to acres of hand. The fall is 29 feet, and the head of states
tract, and it is altogether a most desirable locates.

Also, the Will Greek properly and Duck River are bank
in Hickman country Tempersee. The Mill Greek sites, of
which there are five or six, present the best water powers
for the state of the stream that can be found in any country.

The Duck River are bank is the heaviest demostration of contra-

which there are live of Six, present the best water powers for the sixe of the stream that can be found in any country. The Duck River one bank is the heaviest deposite of ore in the State, and the ore can be procured with less inter then at any bank in the esantry. It is within half a mile of Duck River, and the lands around are covered with the best coaling timber.

Also, the Lower Tunnel, at the Narrows of Harpeth, in Davidson country, Tennorsee, with ten acres of land for buildings and machinery. It is unnecessary to speak of the water power at the Narrows of Harpeth. It is known to every one, and twentrelive vesses of experience enables the ethershier to speak with creating of its great benefits and ascendenses. It is, indeed, only to be seen to be appreciated. Lastly, my Williamson Farm, as which I now reside, and which for beauty and fertility is second to mone. The house is large and airy, and the ordebuildings of the best description. It is intersected by the Southern Railroad, and also by the Nashville, and Frankim Turnpike. It is It unless from Nashville and Frankim Turnpike. It is It unless from Nashville and Frankim Turnpike have a which all who have seen it, procounced on it this ever, which all who have seen it, procounce it the best they have ever seen. It is altogether one of the most desirable harms for Beauty and profit that is in the South-west. It contains about 550 acres.

and profit that is in the South-west. It contains about 560 The above property is offered for sale, not for the purpose of profit or speculation, but samply from the fact that the subscriber's boulth, makes it occuraty to relieve himself of the care, necessarily incident to so much real property in-cated at different points, and renders him analysis of its that personal attention which it requires.

Any one wishing to purchase any of the above property will please call on the subscriper at his residence, or address him at Good Spring P. O., Williamson county. Tea eesse. nugti-an M. BELL. Cipcanati Koqober will publish the above until the 1st
